

You will need:

- **Scissors (and a hole puncher if you have one)**
- **String**
- **Glue or tape (these ones are optional)**

Instructions:

- 1. Cut out your mask or masks - snip snip!**
- 2. Cut out eye holes and string holes (or use a hole puncher where applicable)**
- 3. Measure your string around the back of your head, and cut with a little extra room for tying to the mask.**
- 4. Loop your string through the attachment holes**
- 5. Place the mask around your face and adjust string length as needed.**
- 6. (optional) tape down any loose string**
- 7. Get into character and have a spooktacular time!**
